Safety Reminders –
It Takes a Village!

Parents and guardians, please remember that while we make every effort to ensure that our buildings and campus are safe, we still need to ask that you maintain supervision of your children while they are at church. In particular, we have had a few recent concerns with children playing outside the FLC and running between the FLC and the main building on Wednesday nights without adult supervision. Our DC Kids policy is that an adult needs to walk children to their appropriate classes and check them in with the teacher no more than 5 minutes before scheduled class time. During the Wednesday evening meal, they need to be supervised by a parent or guardian until it is time for class. This is for your children's protection and helps us make sure we know who is in each class. If you have any questions or concerns, please don't hesitate to contact Shannon at sdavis@delcitychurch.org. Thank you for your partnership in this!

There's always room
for one more.

Today we're starting a brand new series on the Old Testament book of Jonah. Most of us remember the story is about a fish swallowing Jonah, but the story is much deeper than that. Jonah is the story of us. Invite a friend or neighbor to join us. There are invitation cards in the foyer. They'll hear more than a fish tale!
